PATRON SAINT

The College has been named after its founder Bishop Michael Arattukulam and is placed under the heavenly protection of St. Michael, the leader of the Archangels, as its patron. His name derived from the Hebrew word meaning “who is like God”, invites the beneficiaries of this institution to strive for godly perfection through the acquisition of knowledge. It was St. Michael who commanded God’s legions and achieved a decisive victory against the forces of evil that rebelled against God. He is believed to be the Archangel writing down the deeds of men in the Book of Life. He is also acclaimed as the helper of the chosen people. He is artistically represented as holding a balance and flourishing a sword against a dragon symbolizing evil. The 29th of September, popularly known as Michaelmas, is the day on which his heavenly intercession is sought in a special way and is celebrated by the college as its Founder’s Day.

The College Emblem shows
an open book, which proclaims
the heavenly message (through the stars)
of truth and justice held on a balance
from above and testified by the
Cross of Christ, who is the Beginning
and the End (Alpha and Omega -
the first and the last letters
of the Greek alphabet)

COLLEGE PROFILE

St. Michael's College, Cherthala reflects the lofty pedagogical mission of the Diocese of Alappuzha which has been devoting long years to the formation of erudite citizens for India by imparting value-based education through the selfless service of men of commitment and dedication. The college is situated on the highway 18 kms north of Alappuzha town, silhouetted against a captivating greenery and scenery. The sprawling campus of the college with its solemn and serene air is a magnificent sight to see from the national highway – NH 66. Its magnificence suits it as the prime institute under the Diocese of Alappuzha.

The long cherished dream of the stalwarts of the Diocese found its realization in this citadel of knowledge which took its birth on 19 June 1967, as a result of prolonged and strenuous efforts and resoluteness. The correspondence between the University of Kerala and the Diocesan Management of Alappuzha had begun several years back. The authorities of the diocese were fully conscious of the mission to uplift the educationally less sophisticated and downtrodden who were wallowing in poverty and misery. By then the NSS and the SN trust had already established their own colleges in the suburbs of Cherthala.

But a large chunk of the population especially the Latin Catholic community continued to remain deprived. The college was the dire need of the educationally marginalized community spread throughout Cherthala-Ambalappuzha and Kanayannur constituencies. Hence the construction of the infrastructure began in the middle of July 1964 itself and the foundation stone was blessed by His Excellency Bishop Michael Arattukulam and was laid by the then Vicar General Msgr. Silverious Jackson. The community joined in this noble endeavor with all its enthusiasm by setting apart their 'Kettuthengu' to give their mite towards the construction of the college. The pace of progress in its development was duly accelerated by the proper guidance of Msgr. Joseph Thekkepalackal and the institution was initially named as 'St. Michael's Institute'. The college chapel that was built opposite to the college in 1973 later grew into a full-fledged parish church.

A commission was appointed to study the upcoming institution after repeated requests and supplications by His Excellency, Bishop Michael Arattukulam. But the commission did not favor the institute in its reports to the University. At this critical juncture, it was the missionary zeal and unflinching resoluteness of the Bishop that took the institution within the sniffing distance of victory. He refused to be vanquished and approached the then governor, the ministers, vice chancellors and syndicate members with petitions and supplications. Thus the 4th of March, 1967 became a decisive date in the history of St. Michael's when the University syndicate took the decision to permit the establishment of a college under the management of the Diocese of Alappuzha. On fulfilling the pre-requisites for the affiliation to the University, St. Michael's Institute was officially approved and recognized as St. Michael's College on 19th June 1967. In the year of commencement there were only 3 main streams of pre-degree course in five different batches. Three hundred and Eighty One

candidates were enrolled for the courses. The administrative hierarchy consisted of both clergy and laity. His Excellency Rt. Rev. Dr. Michael Arattukulam himself was the first Manager and Patron of the college. Rev. Fr. Peter M. Chenaparambil was the Pro-Manager and Rev. Fr. Jacob Kalayil was the First Principal of the college. Rev. Fr. Dennis Arasserkadavil became the Vice-Principal. Apart from these pioneers several other renowned personalities offered their selfless service in making this great endeavor a resounding success. Rev. Fr. Xavier Kaniambur, Sarvasree William and Sri. E.P. Isaac were a few among them. Right from the initial days in 1963, the dynamic presence of Rev. Fr. Peter M. Chenaparambil, who later became the Bishop of Alleppey, gave a boost to the development of the college from its infancy. Rt. Rev. Dr. Joseph G. Fernandez, Rt. Rev. Fr. Reynolds Karumancherry and Rev. Fr. Martin Karukaparambil steered this institution in its nascent stages. Special mention is needed about Sri. Joseph Mathan Kurisunkal, the former M.P., who greatly contributed to its establishment.

The official inauguration of the college took place on 29th September 1967 with Prof. John Mathai, the Vice-chancellor of the University on the dais. Right from its inception, St. Michael's established a reputation by fostering exemplary discipline on the campus and made its debut by ensuring that all the 333 candidates who appeared for the first examination from the college passed in their first attempt itself. The then Vicar – general Msgr. Daniel Kurisungal and Rev. Fr. Martin Karukaparambil did yeomen service for the college as bursars of the college. On 6th June 1970, Prof. P.J. Augustine, a professor from Fatima Matha National College, Kollam succeeded Fr. Jacob Kalayil who retired from service that year. Rev. Fr. Mathew Nerohna took charge as the college Chaplain in 1971. He later became the Manager of the college and served the college with great dedication till 1993.

It took 8 long years since its commencement to raise St. Michael's from a pre-degree to a graduate college. It was in 1976 that a new degree course in Zoology was sanctioned to the college and thus B.Sc. Zoology began in the academic year 1976-77 itself and the official inauguration was done by the Honorable Revenue Minister Mr. Baby John and the inaugural meeting was presided over by Sri. A. Sreedhara Menon, the then University Registrar. The introduction of the degree course opened a new chapter in the academic progress of the college. B.A. Economics was introduced in the academic year 1977-78 and B.Sc Chemistry in 1980. With the coming of shift system more batches were sanctioned in the I, II and III groups for the Pre-degree. The college was teeming with students and new teachers were appointed in the early 80's. Prof. Abraham Arackal who took charge as Principal after a long tenure in various Government Colleges took this institution to the zenith of its glory.

But the dearth of degree and PG courses was acutely felt only when the UGC scheme was introduced in the early 90s. The college was placed under 2(f) 12 B of the UGC act on the 10th of February 1994. This made the inflow of UGC grants possible for undertaking developmental activities. The service rendered by Rev. Fr. James Anaparambil, Rev. Fr. Christopher M. Arthasseril, Rev. Fr. Johnson Puthenveetil is memorable. The herculean task of the construction of the Silver Jubilee Block on the northern side was performed by Rev. Fr. Christopher Arthasseril with the blessing and support of Bishop Peter M. Chenaparambil. The Silver Jubilee Block was blessed by Rt. Rev. Dr. Peter M. Chenaparambil on 20th December 1995. The first post graduate course, M.A. Economics, was started in the academic year 1995-96. Though applications for new courses were submitted every year, degree and PG courses were sanctioned only to the influential and politically powerful communities and managements. Since the college badly needed a facelift, both infrastructural and academic, a new block was built on the northern part of the main building to accommodate the new post-graduate course that was started. Three new courses like B.Sc Physics, B.Com and M.Sc Polymer Chemistry were sanctioned in 1998, 1999 and 2002 respectively. But they were not recognized as aided courses until

2010. They were new courses introduced to compensate for the delinking of pre-degree courses from the aided colleges which took place in stages in 2000 and 2001. As a degree college it became imperative for the college to place itself for accreditation. After much preparation and anxious waiting, the college was accredited B⁺ by the NAAC on 16th September 2004, when Msgr. Varghese Puthenpurackal was the manager of the college. Fr. Milton Kalappurackal and Prof. V.A. Marykutty, the then Principal played a vital role in preparing in the college for its first cycle of Accreditation. The path of the reaccreditation was fraught with difficulties. During these difficult days Rev. Fr. Boni Sebastian and Rev. Msgr. Dr. Antony Therath led the college as managers. The dearth of funds, courses and staff strangled the institution. Ever since the first accreditation the introduction of new courses and the construction of a new library became dire necessities. The new library block was constructed on the western side of the main block and was inaugurated by His Excellency Rt. Rev. Dr. Stephen Athipozhiyil on 30th November 2009. After several years of waiting, two new courses were sanctioned bringing new hopes for a better reaccreditation. M.Com was started in 2013-14 and B.A. English Literature commenced in 2014-15. The greatest achievements were the UGC sponsored B.Voc degree programmes in Software Development and Tourism and Hospitality Management that were started in 2014-15. In addition to these the UGC also granted permission and assistance to start two community colleges leading to Diploma in Beauty and wellness and Diploma in Fashion Design. These developments have bolstered the strength and confidence of the management, staff and students in their preparation for Reaccreditation.

In the meantime, infrastructural development saw an all time high during the last four to five years, thanks to the strenuous efforts of Rev. Fr. Solomon Charanghat the Manager and Prof. A.B. John Joseph, the former Principal. The major reforms undertaken in the improvement of academic standards include computerization, establishment of computer lab, language lab, canteen, smart class rooms, digital seminar hall and the renovation of the auditorium. Offering hostel facilities to the women of the college, a women's hostel was constructed in 1967. The hostel is being run by the Canossian Sisters. A prayer hall named 'Sancturio' was constructed near the portico and was blessed by Rt. Rev. Dr. Stanley Roman, the Bishop of Kollam.

After much effort the college has been recognized as an extension centre of the Sports Authority of India. Being the only institution with a 400 meter track, the ground of the college is being utilized by various agencies for sports events and the college has become a major sports hub in the district. Several new projects are on the anvil including a sports hostel and indoor stadium. On the basis of these and other achievement the college was re-accredited by NAAC with 'A' Grade on 3rd March 2015.

Ever since the NAAC reaccreditation, the college has been registering a surge in its activities. The college has been recognized as a SAI Extension centre facilitating the training of sports personnel in the entire district. The Community College sponsored by the UGC is offering short term Fashion Designing Course and Beautician course. To accommodate the children of the staff and outsiders a kidzone has started functioning in the college. The Learner's Support Centre has been transformed into a full-fledged Self-Financing College since the academic year 2015-2016. Moreover the college has been recognized as a regular Study Centre of IGNOU offering various courses.

The college is now on the threshold of the third cycle of accreditation and hectic preparations are underway. It is hoped that the full-fledged support of all the stakeholders of the college will lead this institution to the heights of glory.

PRINCIPAL'S *Message*

Dear Colleagues, Parents, and Students,

We are back on the campus with a newly ignited passion and a renewed sense of purpose. As I welcome you let me remind you that navigation of this academic ocean requires a compass which will give you a general sense of direction. We can make much headway if we do not lose sight of our destination. The management and the staff will work round the clock to keep you on the track and give you the best of academic settings. Let us all start this year on an exciting note and focus on our academic pursuits with discipline and determination. Let us not flinch from this determination to succeed lured by trifles that waste our time and energy. Let us not indulge ourselves in violence or meaningless pursuits that bring our educational activities to a grinding halt. Let us ensure that our educational growth is not jettisoned at the altar of short-sighted politics and mutual bickerings. Let us not allow anarchy and intoxication to make inroads into the peaceful atmosphere of the college. Let us instead allow the winner inside us to emerge and grow. With bold initiatives, clear vision, committed leadership and a disciplined effort we can certainly surge ahead with confidence. Let us all strive together to perfect the art of holistic learning.

Dr. Mathew V.
Principal

COLLEGE ANTHEM

Hail to thee St. Michael Archangel
Beside your presence
Are powerless
The powers of evil
We are all searching
And our hearts yearning
For the whispering words of wisdom
Deep in our minds
Kindle the light
Of truth and justice
To dispel all the darkness
Engulfing the world
Help us to sail
And be our navigator
All through the rough seas
In our lives
Helping us sail to
Heavenly shores of wisdom
Helping people sail to
Heavenly shores of wisdom

Morning PRAYER

Lead, kindly Light, amid th'encircling gloom; Lead thou me on!
The night is dark, and I am far from home; Lead thou me on!
Keep thou my feet; I do not ask to see
The distant scene--one step enough for me.

I was not ever thus, nor pray'd that thou
Shouldst lead me on.

I loved to choose and see my path; but now,
Lead thou me on!

I loved the garish day, and, spite of fears,
Pride ruled my will. Remember not past years

So long thy pow'r hath blest me, sure it still Will lead me on
O'er moor and fen, o'er crag and torrent, till The night is gone.
And with the morn those angel faces smile,
Which I have loved long since, and lost awhile!

In 1980, the Department became independent with the new course in B.Sc. Chemistry main having the subsidiaries Physics and Mathematics. To keep pace with the emerging technologies and dynamic changes in the scientific world, and to deliver quality education and job opportunities to the youth of our society, M.Sc. Polymer Chemistry was started in July 2002. Considering the concerted demand from the

Mode of Assessment in First Degree Programme

Degree Programme of Kerala University is under Choice Based Credit and Semester System (CBCSS) for the evaluation of students. The Evaluation of each Course shall consist of two parts

1. Continuous Evaluation (CE)
2. End Semester Evaluation (ESE)

The ESE and CE ratio shall be 4:1 for both courses with or without practical. There shall be a maximum of 80 marks for ESE and maximum of 20 marks for CE. For all courses (Theory and Practical), Grades are given on a 7-point scale based on the total percentage of marks (CE+ESE)

Consolidation of Grades

● ESE

The maximum mark for a course (ESE theory) - 80

(The duration of ESE is 3 hours)

Total marks for the ESE of Practical - 80

(The components of ESE of Practical have to be set by the Chairmen, Boards of Studies, concerned)

● CE

The marks of CE shall be consolidated by adding the marks of Attendance, Assignment / Seminar and Test paper respectively for a particular Course.

a	Attendance	5 marks	For 2020 admissions		
b	Assignment/Seminar	5 marks	a	Assignment/Seminar	10 marks
c	Test paper	10 marks	b	Test paper	10 marks

The marks for the component of Practical for continuous Evaluation shall be as shown below.

A	Attendance	5 marks
b	Record	5 marks
c	Test	5 marks
d	Performance, Punctuality and Skill	5 marks

Semester Credit Point Average (SCPA) is an index of the overall performance of a student at the end of a semester. It is obtained by dividing the sum of the Credit Points obtained by a student at the end of a semester by the sum of the Credits of Courses taken by the student in the semester.

Consolidation of 'Semester Credit Point Average' (SCPA)

SCPA is obtained by dividing the sum of credit points (CP) obtained in a semester by the sum of Credits (C) taken in that semester. After the successful completion of a semester, Semester Credit Point Average (SCPA) of student in that semester shall be calculated.

Criteria for Grading (SCPA/CCPA/Courses)
