

Action Taken Report 2018-2019

- The Career Guidance and Placement Cell (CGPC) at the College have taken initiatives to support students in their career pursuits. In pursuance of this, several orientation programs and awareness campaigns were organized
- A one-day workshop was held at the college, focusing on the Expenditure, Advance and Transfer (EAT) Module of Public Financial Management Systems (PFMS). The main purpose was to improvise the process of financial transparency and administrative skills of non-teaching staff
- All departments have started Remedial programme to support slow learners and submitted the report on the academic progress attained by students
- Departments have encouraged advanced learners to take part in seminars, workshops, and peer teaching sessions. Additionally, coaching classes for participating in competitive examinations were arranged for enhanced performance
- The College has initiated efforts to increase the number of Memorandum of Understanding (MoUs) and collaborations with other institutions, spearheading towards faculty exchange, research collaborations, skill enhancement and academia industry linkage
- The outreach activities like ChemWonders2020, Deal IT etc have expanded the scope of action of departments
- Departments have arranged Seminars/Workshops and collaborations to share and disseminate knowledge on several specific spheres
 - International Seminar on photochemistry and sustainable energy.
 - Workshop on OBE & ICT
 - Respecting IPR in an Academic Environment
- Improved efforts were forthcoming from all departments to increase alumni engagement with present Michaelian community through meetups. It becomes fruitful for providing experience sharing and knowledge dissemination among present students
