

Action Taken Report 2019-20

- To cater to the diversified academic demands of the student community, departments introduced new add-on courses
- Memorandum of Understanding (MoUs) and Collaborations with other institutions were established to improve upon faculty exchange and research collaborations
- To empower faculty members with innovative teaching, learning and evaluation methods, the IQAC of the college in association with IIT Bombay organised a Faculty Development Program (FDP) on "Moodle Learning Management System"
- The enhanced research ambience in the college resulted in an increased number of publications, contributing to the academic and intellectual development of faculties
- IQAC organized a webinar titled "Possibilities of Collaboration in Communication Technology during the Pandemic" to encourage collaborative efforts for facilitating e-learning activity
- An Administrative Training Programme was organized by IQAC to equip administrative staff members in Audit and Office Procedure
- Understanding the regional demand for career related programmes, we introduced the BBA Logistics programme
