

Action Plan: 2018-19

Following are the action plan of IQAC during the academic year 2018-19

- The submission of an elaborate project report for RUSA.
- Encouraging Association activities across all departments.
- Planning and executing orientation programs for first-year students.
- Coordination of seminars, conferences, workshops, and academic competitions.
- Implementation of programs aimed at nurturing sustainable environment.
- Celebration of days of national importance within the academic calendar.
- Execution of Quality Improvement Programs for students.
- Promotion of distant learning initiatives.
- Providing assistance to talented students involved in sports.
- Hosting Placement Drives for student employment opportunities through CGPC.
- Organization of study tours, industrial visits, and research station visits for all departments.
- Promotion of summer research projects.
- Implementation of Skill Addition Programs.
- Periodic visits by the IQAC Team to various departments.
- Development of a mechanism to identify both slow and advanced learners.
- Support for the DST FIST program.
- Compilation of the annual report of the college.
- Active participation in NIRF and AISHE.
- Ensuring timely updates of the website of the college.
- Submission of a maintenance report on the infrastructure to the management.
