## **Student Centric Methods**

### **E-Academics**

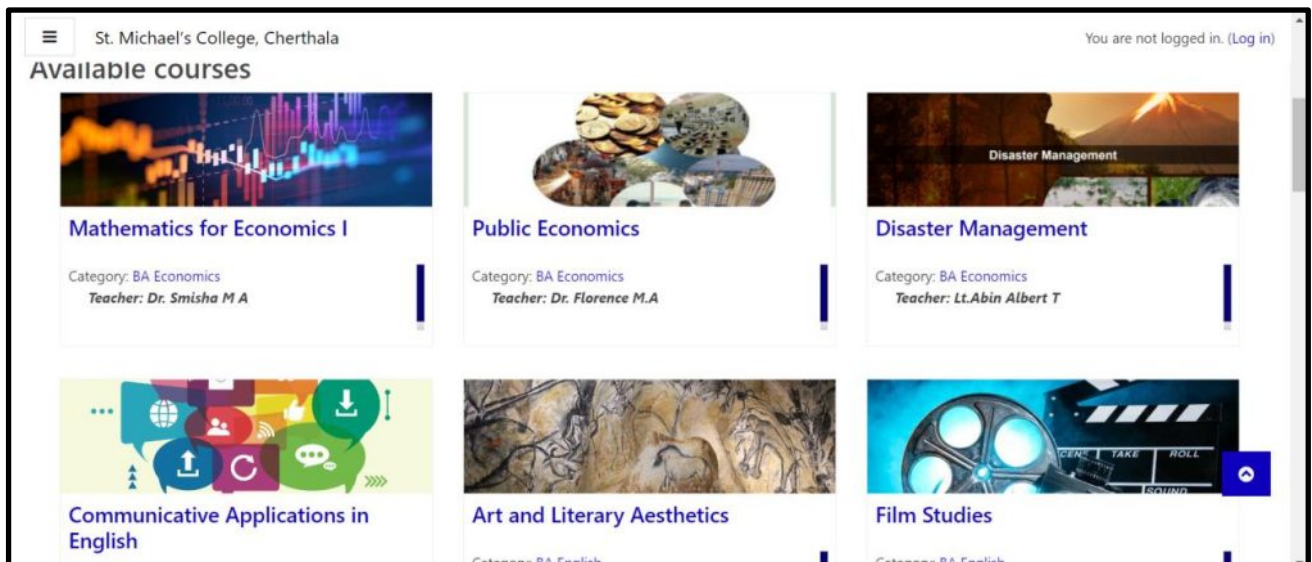

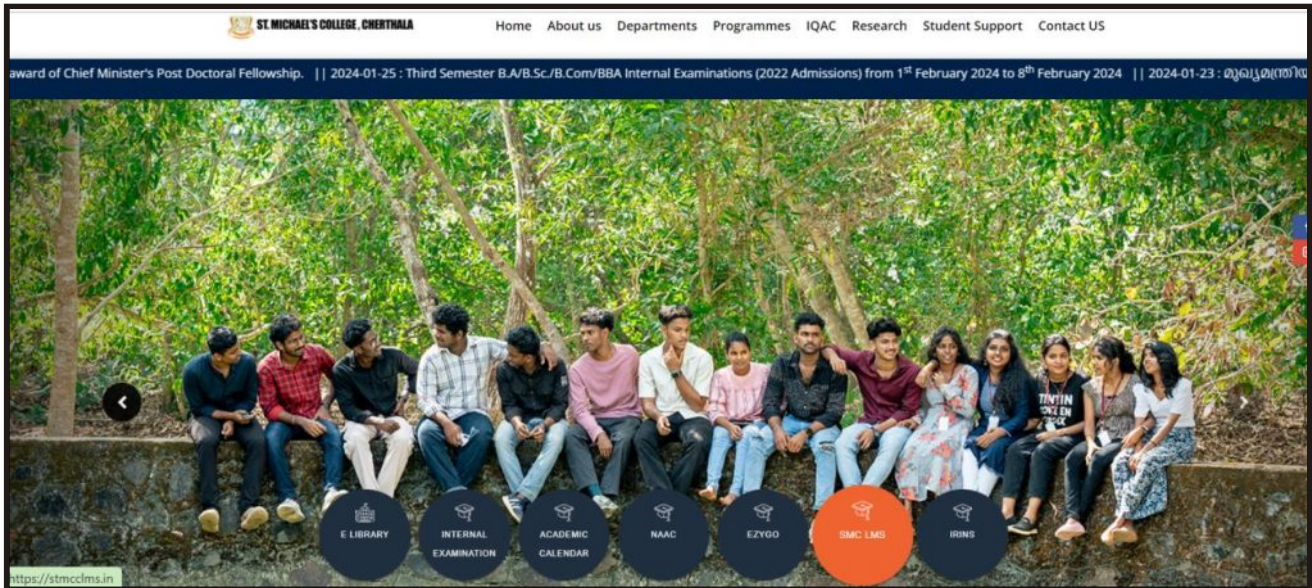

**The cutting-edge e-academics facility at St. Michael's College, Cherthala is a dedicated platform designed to foster student growth through organized and focused learning. Rooted in the concept-driven approach, e-academics empowers students by providing access to a wealth of new and archived knowledge databases. The platform serves as a centralized hub where educators can post tests and flashcard sessions, offering supplementary instructional support for students to conveniently learn at their own pace.**

**At St. Michael's, e-academics reinforces education through a variety of resources, including the e-learning space, the innovative Ezygo application, Nlist, and a digital library equipped with a question paper bank, e-books, e-theses, and e-journals. Additionally, department-level resources such as the e-resources bank, digital textbooks, and platforms like Moodle and Gnomio contribute to a comprehensive and technologically advanced learning environment. By emphasizing the availability of information, St. Michael's e-academics strives to empower students, helping them reach their goals while remaining competitive and productive in their academic pursuits.**

This site provides free text books and course notes, free courses, information on free internet libraries and much more.

Free classic literature

Planet eBook is the home of free classic literature. The novels and books are entirely free to download.

Most books downloaded for free in pdf format

Most books published by the national academic press can be downloaded for free in pdf format.

National Digital Library

India's National digital library. Sponsored by MHRD and IITKharagpur.

# e-thesis

St. Michael's College Remote Access Digital Library

**e-Thesis**

- NOLTD**: It is an international organization dedicated to promoting the adoption, creation, use, dissemination, and preservation of electronic theses and dissertations (ETDs). It includes resources for university administrators, librarians, faculty, students, and the general public. Topics include how to find, create, and preserve ETDs; how to set up an ETD program; legal and technical questions; and the latest news and research in the ETD community.
- IndCat**: IndCat: Online Union Catalogue of Indian Universities is unified Online Library Catalogues of books, theses and journals available in major university libraries in India. The union database contains bibliographic description, location and holdings information for books, journals and theses in all subject areas available in more than 160 university libraries across the country.
- Shodhganga**: The Shodhganga@INFLIBNET Centre provides a platform for research students to deposit their Ph.D. theses and make it available to the entire scholarly community in open access. The repository has the ability to capture, index, store, disseminate and preserve ETDs submitted by the researchers.
- Open Theses**: OpenThesis is a free repository of theses, dissertations, and other academic documents, coupled with powerful search, organization, and collaboration tools.
- DART**: Europe is a partnership of research libraries and library consortia who are working together to improve global access to European research theses.
- University of Kentucky**: This site hosted by the University of Kentucky provides free Electronic Theses and dissertations.
- M G University Online Theses Library**: Electronic Theses and Dissertations Service from Mahatma Gandhi University, Kottayam, Kerala.
- Australasian Digital Theses program**: Each participating Australasian university will continue to host their own digital theses.
- Dyuthi**: Digital Repository of Cochin University of Science and Technology.
- List of reference websites**: This site provides an annotated list of reference websites.
- ETD @ University of Exeter (ERIC)**: University of Exeter Theses.
