INTRODUCTION

St. Michael's College, Cherthala reflects the lofty pedagogical mission of the Diocese of Alappuzha which has been devoting long years to the formation of erudite citizens for India by imparting value-based education through the selfless service of men of commitment and dedication. The official inauguration of the college took place on 29th September 1967 with Prof. John Mathai, the Vice-chancellor of the University on the dais. The college is situated on the highway 18 kms north of Alappuzha town, silhouetted against a captivating greenery and scenery. The sprawling campus of the college with its solemn and serene air is a magnificent sight to see from the national highway – NH 66. Its magnificence suits it as the prime institute under the Diocese of Alappuzha.

It took 8 long years since its commencement to raise St. Michael's from a pre-degree to a graduate college. It was in 1976 that a new degree course in Zoology was sanctioned to the college and thus B.Sc. Zoology began in the academic year 1976-77 itself and the official inauguration was done by the Honorable Revenue Minister Mr. Baby John and the inaugural meeting was presided over by Sri. A. Sreedhara Menon, the then University Registrar. B.A. Economics was introduced in the academic year 1977-78 and B.Sc. Chemistry in 1980. The college was placed under 2(f) 12 B of the UGC act on the 10th of February 1994. The first post graduate course, M.A. Economics, was started in the academic year 1995-96. Three new courses like B. Sc. Physics, B.Com and M. Sc. Polymer Chemistry were sanctioned in 1998, 1999 and 2002 respectively.

As a degree college it became imperative for the college to place itself for accreditation. After much preparation and anxious waiting, the college was accredited B+ by the NAAC on 16th September 2004. After several years of waiting, two new courses were sanctioned bringing new hopes for a better reaccreditation. M.Com was started in 2013-14 and B.A. English Literature commenced in 2014-15. The UGC sponsored B.Voc degree programmes in Software Development and Tourism and Hospitality

Management that were started in 2014-15. In 2020-2021 college was sanctioned BBA (Logistics), which is a new generation course in the aided sector.

Being the only institution with a 400-meter track, the ground of the college is being utilized by various agencies for sports events and the college has become a major sports hub in the district. The college was re-accredited by NAAC with 'A' Grade on 3rd March 2015. The college has also been recognized as a regular Study Centre of IGNOU offering various courses.

The college is now on the threshold of the third cycle of accreditation and earnest preparations are underway. The academic year witnessed various activities initiated by various departments both in online and offline mode amidst Covid 19 pandemic. The details of student enrolment, graduate outcome, faculty achievements, activities organised and infrastructure development are elaborated in the Annual Report.

STUDENT ENROLMENT

During this academic year 470 students enrolled in the first year. Out of which 420 students at Degree level and 50 students at Post Graduate level took admission. The gender-wise and category-wise details of students enrolled during the academic year 2020-21 are given in table 1.
