Objective

To secure a position as an Assistant Professor in Travel and Tourism where I can utilize my academic knowledge, research skills, and industry experience to contribute to student development and institutional growth.

Experience

- **Mooppans solar Aluva** -
Intern
Internship in Mooppans solar provided real world exposure to accounts and data entry work in the renewable energy sector. It strengthened my basic accounting knowledge, improved my computer skills, and enhance my understanding of the internal financial process of a growing company.
- **Tourfly travel agency kochi** -
As an intern
My internship at tourfly provide a meaningful introduction to the practical aspect of the travel and tourism industry. It strengthened my ability to manage real work task, improved my professional skills, ad inspired me to build a career in travel operations.
- **Shimla Travels Kochi** 04/08/2025 - Present
Front office executive
I worked as a Front Office Executive at Shimla Travels for 9 months, handling customer inquiries, ticket enquiries, and front desk work. I assisted both individual and group bookings and coordinated travel arrangements. This job helped me improve my communication and customer service skills.
