

### Action Taken Report 2022-23

In response to the feedback received, the college administration has embarked on several initiatives.

**Infrastructure Enhancement:** Immediate steps have been taken to assess and improve infrastructure facilities.

**Administrative Reforms:** The college is actively working on streamlining administrative processes to enhance efficiency and overall satisfaction.

**PTA Strengthening:** Efforts are being made to strengthen the functioning of the Parent Teacher Association, fostering better communication and collaboration.

**Extracurricular Activities:** The college is committed to diversifying and enhancing extracurricular activities of students to provide a more holistic educational experience.

**Grievance Redressal Mechanism:** Implemented a streamlined grievance redressal system, ensuring prompt and effective resolution of student concerns.

**Alumni Engagement:** The college aims to improve alumni engagement by addressing concerns raised and enhancing communication channels.

St. Michael's College places great importance on the feedback received from its stakeholders and is dedicated to continuous improvement. The actions taken underscore the college's commitment to providing an enriching educational experience for its students while fostering positive relationships with parents and alumni. Regular updates on implemented actions will be communicated to ensure transparency and accountability within the college community.
