

Action Plan: 2020-21

The operational strategy for the Academic Year: 2020-21

- Revise and assign faculty members to specific committees based on criteria.
- Establish a procedural framework for departmental operations during the lockdown.
- Coordinate with criterion team members for data collection in the specified format.
- Provide an overview of the documentation process for NAAC reaccreditation, supported by relevant documents.
- Enhance facilities in the Department of Physical Education.
- Implement a support mechanism for teachers and students engaged in online learning.
- Organize an orientation program for new entrants.
- Engage in social extension activities during the pandemic through experiential learning.
- Perform an academic audit of the college.
- Submit the Annual Quality Assurance Report (AQAR).
- Collect and analyse feedback reports.
- Compile the Annual Report of the college.
- Ensure timely updates of the website.
